

## **Vietnam Veterans of Sumner County Chapter 240 Scholarship Participation Application Guidelines**

The scholarships awarded through the Vietnam Veterans of Sumner County are meant to assist students of Veteran's families who have served in a military branch of the United States of America Armed Forces. So much is sacrificed when the choice is made to serve by the Veteran and the family, therefore, this is meant to supplement a student's chance to further their education.

The guidelines are as follows:

- 1) Applicant must be in their senior year of high school.
- 2) Applicant must have a family member (parent, grandparent, etc.) who is active duty military or is a veteran.
- 3) Applicant should state what influence their family member's service in the military has had on them.
- 4) The deadline for the application is April 25, 2019.
- 5) Any questions should be directed to:
