

# Clever/Edgenuity Login

Step 1 – Log into the active directory. Use student ID# for user ID and password.

Step 2 – Select Clever icon. This link will open a new window.

Step 3 – Select Student & Teacher Login and sign in with your Google account.

[ID#@sumnerk12.net](mailto:ID#@sumnerk12.net) with active directory password

Step 4 – Select the Edgenuity Courseware icon.

Step 5 – Watch the orientation video.

Step 6 – Click on name of course to begin.

## Outside of School Login Google Clever

Step 1 – Use Google Chrome as your browser. Other sites do not support Clever.

Step 2 – Open new Google tab and type in Sumner County Clever.

Step 3 – Select 1<sup>st</sup> link that appears ([clever.com/in/sumnercounty](https://clever.com/in/sumnercounty)).

Step 4 – Use [ID#@sumnerk12.net](mailto:ID#@sumnerk12.net) for user ID and ID# for password.

Step 5 – Select Edgenuity.

**There is also a Clever App that you can download to your phone.**

## Need to Know

Earbuds or headphones are required for class.

Students may work at home in addition to working at school. Unit tests and cumulative exams must be taken at school.

Students must score 80% on a pre-test to bypass the unit. A score of 70% is needed on all other assignments/quizzes/tests to pass. If student receives a grade in the 60's on any quiz or test (not pre-tests), students may ask to do corrections rather than taking quiz/test again.

When working in the lab, students are encouraged to ask the teacher to check quiz or test grade before submitted.

Students can track current grades and amount completed on their Progress Report.
