***Important:**

All students are encouraged to read actively and use sticky notes, highlighters, etc. to aid in comprehension and analysis. The following are recommendations:

- 1.) Note themes/main ideas.
- 2.) Circle unfamiliar words and mark areas of confusion with a question mark or specific question.
- 3.) Note figurative language (similes, metaphors, etc.).
- 4.) Mark sentences or passages that seem significant.
- 5.) Briefly summarize the plot of each section, keeping track of character traits and actions.

Students should expect to be assessed over their reading within the first or second week of class.
