2020-2021 FOOTBALL SEASON

HENDERSONVILLE HIGH SCHOOL ATHLETICS SUPPORTERS

Many of you have questions and concerns about Commando football tickets for the 2020 season. We have worked hard to develop a plan that continues our tradition of Commando Pride while still providing a safe experience for our fans.

The Commando Football Team is selling NON-REFUNDABLE season tickets for all home games this season. The families of the student-athletes (Football players, cheerleaders, dance team, and band members) participating in the game on Friday nights will have first access to a limited number of tickets. If you are included in the one of the priority groups listed above, reach out to your head coach for information on how to purchase these season tickets.

Hendersonville High School students will have a limited number of student athletic passes that they may purchase through GoFan for all sports during the school year. A limited (if any remain) number of individual tickets will be sold through GoFan the week of the game. Passes will be allowed with the following credentials. Sumner County BOE employees with ID plus one, TACA members with current ID, and TSSAA card holders.

Visiting teams will be offered a percentage of tickets to sell the week of the game. **There are no plans to sell tickets the night of the game at a traditional ticket booth.** Anyone calling the school about tickets will be directed to the Hendersonville High School GoFan website for remaining individual game tickets until the event is sold out.

We are also limited tickets when we are the away team and visiting other schools. We will prioritize the tickets to football and cheer parents first and students second. Depending on how many tickets we are allotted, we will then offer tickets to the community through whatever means the visiting teams allow us to sell tickets. This will likely change from week to week.

*Soccer tickets can also be purchased on GoFan the week of the event. All varsity soccer home games will have limited capacity.

*Volleyball tickets can still be purchased at the gate.

Per TSSAA rules, all fans will be required to have their temperature checked and wear a mask to all sporting events (inside and outside). Fans are expected to follow these mandated protocols as well as practice social distancing once inside the stadium. Every other row of bleacher will be closed off for seating and families are asked to social distance between other families/fans. If the home side becomes full, you will need to move to the visitor side of the stadium.

If you cannot make it to the games, all events at the football field and basketball gym will also be streamed on the NFHS Network.

We look forward to seeing you at all of our athletic events this year as we all cheer on our Commandos!
