

Requirements and Expectations when enrolling 9-12 students in the Sumner Virtual Academy:

- Families must provide **one computer PER STUDENT** enrolled in Sumner Virtual Academy. Sumner County Schools will not provide devices to students enrolled in SVA.
- It is the responsibility of the family to ensure the [computer is compatible with the computer learning program, Edgenuity](#), prior to enrollment in Sumner Virtual Academy.
 - Additional software could be required in CTE classes such as Computer Applications.
- Instruction will be provided through Edgenuity - an online learning platform.
 - There is no direct instruction from a classroom teacher.
 - Tutoring will be available upon request by the student.
- An adult in the home should monitor progress as the student works through the assigned Edgenuity courses.
- The family's choice to enroll in SVA or move back to the zoned school building **will remain in place** through the end of the second semester on **May 27th**.
- Open enrollment for the **spring semester of 2021** will only be available **between November 16-30, 2020**.
- Failure to **make adequate progress at designated checkpoints** throughout the semester may result in the student being moved to credit recovery or moved back to the zoned school.
 - Credit Recovery Overview:
 - Student can earn a maximum grade of a 70 (D) for the course
 - Abbreviated course but credit is still earned
- Final approval of acceptance into SVA during open enrollment will be granted by the zoned school. The student's transcript as well as academic progress will be factored into the decision.
 - **In-person learning will be required** if a student did not pass or was moved to credit recovery in more than one class for the Fall Semester of 2020.
- **Medical hardship** requests should be referred to the Sumner County Attendance Department.
